Consumption of Food and Beverages

Eating or drinking is not allowed in school hallways or classrooms after 1st period begins. Students may only consume food and beverages in the cafeteria during breakfast and lunch periods, or as otherwise allowed by individual classroom teachers for special events. Water fountains exist throughout the school. As a health conscious school community, sugar laden and/or “energy drinks” will not be allowed during the school day. Students are to dispose of any such drinks upon arrival to school. Water, in clear containers only, will be allowed if necessary. Open bottles or containers may be confiscated and checked for appropriate content.
